## HARBOUR BOARD

### COVID-19: HARBOUR DUES & OTHER PAYMENTS

We are hoping to be able to re-open the public slipway at Ferry Point, Hayling Island before the Spring Bank Holiday weekend, 23<sup>rd</sup>- 25<sup>th</sup> May. Please follow Government guidelines for recreational activities and please ensure that your craft is properly maintained and in good repair before visiting the harbour.

In order to minimise the face-to-face administration normally necessary to obtain a PWC permit we are issuing permits by email upon request. If you wish to use your PWC in the harbour this weekend you should obtain a permit and make payment over the telephone on 023 9246 3419. You should not launch your PWC unless you have a valid 2020 permit.

Please telephone the Harbour Office or email [admin@langstoneharbour.org.uk](mailto:admin@langstoneharbour.org.uk) if you wish to obtain a PWC permit.

We can also accept all other payments by credit or debit card. It will minimise delay at the launch site if you call the harbour office in advance to make payment of your launching fees.

The Harbour Office will remain closed to walk-in customers during the week but we will have staff on hand to deal with your permit requests and to take payments.
