		Client				

GENERAL CONDITIONS AND PRECAUTIONS TO BE OBSERVED (Tick as appropriate)

- Diving operations shall be in accordance with the Diving at Work Regulations 1997 and the appropriate Approved Code of Practice
- No Diving operations are to be carried out prior to permission being granted.
- At all times during the operation an "A" flag shall be displayed
- The diving team shall comprise at least 4 persons namely, Diving Supervisor, Diver, Standby Diver and Tender/boatman (boatman not required if working within a marina)
- The Diving Supervisor shall inform the Harbour Master immediately before a diver enters the water and on suspension/completion of diving operations
- The Diving Supervisor will comply with all instructions issued by the Harbour Master
- The Diving Supervisor shall monitor VHF channel 68 at all times
- Has a diving project plan been prepared and is there a copy on site? Yes No
- Have steps been taken to eliminate hazards to divers from propellers, inlets, outlets etc Yes No

I declare that all the aforementioned requirements have been satisfied, precautions have been taken and that safety arrangements will be maintained for the duration of the diving operation, which will not be undertaken outside the stated area and time.
