

## **LANGSTONE HARBOUR BOARD**

### **LOCAL NOTICE TO MARINERS NO.4 OF 2018**

#### **HIGH WATER PREDICTIONS**

1. The use of tidal predictions advertising a double high water for Portsmouth has contributed to a potentially serious grounding in Langstone Harbour.
2. Mariners are advised that where access to or within Langstone Harbour is described by the harbour authority in terms of a 'High Water window' before or after high water the reference time is Portsmouth High Water as published in Admiralty Tide Tables, Vol.1 (NP 201).
3. The Portsmouth extract from Admiralty Tide Tables Vol.1 is contained in the Langstone Harbour Services Guide, which is freely available from the Harbour Office.
